REPORTING ALLEGATIONS OF DISCRIMINATION AND DISCRIMINATION GRIEVANCE PROCEDURES

I. Principles of Non-Discrimination at Murray State University.

Murray State University endorses the intent of all federal and state laws created to prohibit discrimination. Murray State University does not discriminate on the basis of race, color, national origin, sex, gender identity, sexual orientation, religion, age, veteran status, or disability in employment or application for employment, admissions, or the provision of services and provides, upon request, reasonable accommodation including auxiliary aids and services necessary to afford individuals with disabilities equal access to participate in all programs and activities.

In particular and without limiting the preceding and pursuant to and consistent with the requirements of Title VI of the Civil Rights Act of 1964 and its regulations 34 CFR 100 et seq.; Section 504 of the Rehabilitation Act of 1973 and its regulations 34 CFR 104; Title IX of the Education Amendments of 1972, 20 USC 1681 et seq., and its regulations 34 CFR 106 et seq; and the Age Discrimination Act of 1975 and its regulations 34 CFR 110, Murray State

the end of this policy. Allegations of violation of these policies as applicable are considered as allegations of discrimination under this policy.

Appendix II includes contact information for all offices mentioned in this policy and for other available resources.

II. Scope of this policy regarding Discrimination Grievance Procedures.

This policy establishes the procedures to be followed in the event of allegations of discrimination against a University employee or volunteer or against a non University individual, including the employee of a contractor at, a visitor to, or a patron of the University.

This policy also establishes the procedures to be followed in the event of allegations of discrimination against a student or student organization based upon sex or sexual orientation, including allegations of sexual harassment, sexual violence or misconduct, relationship violence, or stalking.

Murray State University is committed to investigating, in a prompt, reliable, and equitable manner, allegations and claims of discrimination in the operation and administration of its programs, services and employment practices.

This policy supersedes any other grievance mechanism with respect to issues of discrimination and affirmative action, except as the question of discrimination and affirmative action constitute a part, but only a part, of grievances or complaints filed before other hearing bodies within the University. In these latter cases, the proceedings before the hearing body shall be suspended until matters of discrimination and affirmative action have been decided in accordance with the procedure provided by this policy.

III. Reporting Allegations of Discrimination and Where to report violations

A. Where to report allegations that ***you*** have been discriminated against

Any member of the University community, including students, staff, faculty, patrons, visitors, employees of a contractor, and applicants for employment and admission, who believes he or she may have been subjected to discrimination by a University employee, student, or volunteer or non-University individual is encouraged to report it as provided below.

concerned for their safety, or if a victim wishes to report an act of discrimination which occurs outside of normal University office hours. Offices listed in Appendix II can assist in contacting law enforcement.

Reports of matters related to discrimination, including discrimination based on sex or sexual orientation and including allegations of sexual harassment and sexual violence and misconduct, relationship violence, and stalking, made to the Murray State University Police Department will automatically be referred to the Executive Director of IDEA/Title IX Coordinator with personally identifying information regardless if the victim chooses to pursue criminal charges or requests confidentiality. If the matter cannot be immediately reported to the Executive Director/Title IX Coordinator, the matter must be reported as soon as possible.

Contact information for the Murray State University Police Department is: Murray State University, 101 Public Safety Building, Murray, KY 42071; telephone: (270) 809-2222.

Other Resources. In addition, individuals may seek assistance, such as counseling and support and medical services, from the resources listed in Appendix II.

4. *Confidential Reporting/Requests for Confidentiality or that an Investigation not be Pursued*

Individuals are encouraged to report under this policy allegations that they have been discriminated against even if they request confidentiality or do not wish to participate in an investigation.

a. Matters reported to IDEA/Title IX Coordinator.

The Executive Director of IDEA/Title IX Coordinator is obligated to contact the Murray State University Police Department immediately upon receipt of a report of a crime. If the victim requests anonymity or that law enforcement authorities not be notified, IDEA/Title IX Coordinator will immediately report the matter to the Murray State University Police Department without personally identifying information unless otherwise required by law.

In the event an individual reporting discrimination to the Executive Director/Title IX Coordinator requests confidentiality or does not wish to participate in an investigation, the Executive Director/Title IX Coordinator, or his or her designee, will still take all reasonable steps to investigate and respond to the allegations consistent with the request for confidentiality or request not to pursue an investigation. In such instances, the ability to review the allegations may be limited.

Depending upon the applicable facts and circumstances, including the nature of the allegations, as determined by the Executive Director/Title IX Coordinator, or his or her designee, it may not be possible to honor a request for confidentiality.

b. Murray State University Police Department.

If you are a victim of a crime you are not obligated to report it to the police. If you are the victim of a crime and do not want to pursue action within the University system or criminal justice system, you may still want to consider making a confidential report. Unless otherwise required by law, the Chief of the Murray State University Police Department, or his designee, can file a report on the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential. Reports filed in this manner are included in campus crime statistics.

Anonymous crime reports may be sent to Murray State University Police Department, 101 Public Safety Building, Murray, KY 42071.

c. Campus Security Authorities.

If the victim contacts a Campus Security Authority and requests anonymity or that law enforcement authorities not be notified of a crime, the Campus Security Authority must immediately report the matter to the Murray State University Police Department without personally identifying information. Campus Security Authorities must also immediately report matters related to discrimination, including discrimination based on sex or sexual orientation and including allegations of sexual harassment and sexual violence and misconduct, relationship violence, and stalking, to the Executive Director/Title IX Coordinator we and4in, to the Exer12 0 612 792 reW*(

A victim who speaks to a professional counselor must understand that if the victim wants to maintain confidentiality Murray State will be unable to conduct an investigation into the particular incident or pursue disciplinary action against the alleged perpetrator. Even so, these counselors will still assist the victim in receiving other necessary protection and support, such as victim advocacy, academic support or accommodations, disability, health or mental health services, and changes to living, working or course schedules. A victim who at first requests confidentiality may later decide to file a complaint with the University or report the incident to law enforcement, and thus have the incident fully investigated. These counselors will provide the victim with assistance if the victim wishes to do so.

e. Limits on Confidential Reporting.

In addition to provisions above regarding limits related to confidentiality, all employees, including professional counselors, have reporting and other obligations under state law in certain particular circumstances. IDEA will, if possible, meet with the individual who alleges discrimination or who is reported to have been subjected to discrimination.

Available Assistance. IDEA will provide written information to individuals involved in allegations of discrimination, in an attempt to assist them, of measures which may be immediately available and which are appropriate under the circumstances. Examples include counseling and modifying academic, living, transportation, and working situations, a University order of no contact, residence hall relocation, adjustment of course schedules, a leave of absence, or reassignment to a different supervisor or position. An individual who allegedly engaged in prohibited behavior may be removed or banned from University property or certain portions of campus to the extent consistent with law. IDEA will facilitate the implementation of such measures if requested and if they are reasonably available in consultation where necessary with the appropriate Vice President, or designee, and other offices. These measures may remain available regardless of the outcome of any complaint process.

B. Complaint Process

If the individual making allegations that he or she has been discriminated against wishes to pursue a formal complaint, the following procedures will be followed.

Time limit. A formal complaint of discrimination against a University employee or volunteer or non-University individual should be filed with the Executive Director of IDEA/Title IX Coordinator within 180 days of the last event about which a complaint is made.

All other complaints of discrimination against a student or student organization should be made to the Coordinator of Student Conduct and Special Projects for Student Affairs, where they will be addressed under different procedures.

In the event the informal resolution process is not used or is unsuccessful, IDEA will proceed with the investigation of the complaint.

IDEA will meet separately with the Complainant and the Respondent to gather additional facts and information about the allegations in the complaint and any response, including the identities of individuals who may have information.

IDEA will conduct such investigation as is believed is warranted. University employees and students are expected to cooperate with investigations by IDEA. All relevant files not privileged will be available to IDEA. The parties will be kept informed in writing as to the progress of the investigation.

Once the investigation is finished, a report will be prepared by IDEA. The report will review the allegations in the complaint and any response; the factual findings from the investigation; and
